2025 AREA QUALIFIER BLUEPRINT

NORTHEAST RIDERS MEETING NOTES

PROMOTER: Please mention these notes at your Riders Meeting along with your normal track topics and procedures. We also recommend announcing the Regional Championship registration requirements periodically over the PA system throughout the weekend to ensure compliance.

REGIONAL CHAMPIONSHIP INFORMATION

- This is a **NORTHEAST** Area Qualifier – your first step to qualifying for the National Championship at Loretta Lynn's in August.
- In order to earn a guaranteed advancement spot to the second step, the Regional Championship, you must finish in the top **9** in your class.
- If you do not qualify in a guaranteed advancement spot, you may still register for the Regional Championship as an Alternate regardless of your finishing position, but you must have a finishing position in at least one moto to be eligible.
- If you qualify here your Regional Championship for the **NORTHEAST** will be for:

Amateur Classes 1 – 19: Scheduled for **June 20-22** at **Unadilla MX** in **New Berlin, NY** and your registration deadline is **June 16, 2025**.

Youth Classes 20 – 36 Scheduled for **June 6-8** at **Pleasure Valley Raceway** in **Steward, PA** and your registration deadline is **June 2, 2025**.

- Whether you earned a guaranteed advancement spot or would like to register as an Alternate, EVERYONE MUST pre-register by the deadlines. The second copy of your registration form is NOT a receipt – it is your registration form for the Regional Championship - DO NOT throw it away. There is a lot of important information on both that form and the third sheet, which includes the Supplemental Rules.
- Even if you win your class, if you do not pre-enter for the Regional by the deadline, you are considered an Alternate, and your spot on the Regional gate is not guaranteed. This is why it is critical that you pre-register prior to the deadline to confirm your spot on the gate at the Regional. So bottom line...pre-register as soon as possible after this event!
- There are two ways to register for the Regional Championship: either online at www.mxsports.com or by mailing your pink Regional Championship Entry Form to MX Sports. MX Sports prefers online registration. PLEASE check the details and deadlines listed on your Regional entry form.

RULES & ELIGIBILITY INFORMATION

- You should have a copy of the 2025 Supplemental Rules which was part of the paperwork returned to you at registration. PLEASE read this in detail. By participating in this event and potentially entering the Regional and National Championship, you agree that you have read this information thoroughly. For up-to-date information, go to the MX Sports website at www.mxsports.com.
- If you entered the "C" class, it is imperative that you understand the eligibility rules for this class. Read the Supplemental Rules for eligibility confirmation.
- If you plan to file a protest, come to registration and fill out an AMA Protest Form no later than 30 minutes after the race in question. This must be done in writing and the proper fees paid. Again, read the rules.
- If you are protested for any reason, our referee will do his best to make a decision on the matter immediately. If a decision cannot be made immediately, AMA rules allow riders to compete "under protest" and we will work with the AMA and MX Sports to resolve the issue after the event is over.
- Read: "Racers: Now that you have had an opportunity to inspect the course, have heard the race procedures and a description of the course, if you feel that either you or your machine is not prepared, then now is the time for you to withdraw for a complete refund of your entry fee – no questions asked."
